- All rehearsals (Band Camp and during the semester) are required.
- Move-in times are 9:00am – 1:00pm on the report date. Rehearsals begin at 3:00pm that day.
- All performances in **BOLD** are required.
- New this season is the Sun Belt Conference Championship Game. If the Mountaineers finish in the top two, we play in this game. The top seed hosts the game. So, if we are #2, the possibility of traveling to that destination exists. Leave this date open.
- We will be traveling to the bowl game over the Holiday Break in December. There is no way at this point to predict when or where this will be, but it will likely be one of these Bowl Games:
 - New Orleans Bowl (December 15 in New Orleans, LA)
 - Camellia Bowl (December 15 in Montgomery, AL)
 - Cure Bowl (December 15 in Orlando, FL)
 - Dollar General Bowl (December 22 in Mobile, AL)
